

FOUNDATIONS

We would love to invite you on a journey of exploring God and your Christian faith through our Foundations Course. Foundations will run for ten subjects spread out over ten months. It is a great way to grow in your Christian journey as you learn more about, God, Jesus, Holy Spirit, the Cross, the Bible and your new man found through the redemptive work of Jesus.

In this program you will learn and grow as you form the base for your Christian life to be built upon, one that won't be shaken and will be able to endure all things.

An excellent team of people will lead you through the course prepared by Pastor Tony Smits, a CRC veteran who has planted many churches and raised many disciples. This program is currently being taught in 40 countries around the world.

At the completion of this program you will receive a Certificate of Completion that could possibly be used as a basis for further study if you desire to do more. You can join us for all ten subjects or just one that might take your interest. We will announce when each subject will start if something takes your interest.

Foundations will start on Tuesday August 3, with classes running from 7pm—9pm upstairs at Church. There is no cost to the program but we do ask if you start a subject you finish it.
